Since we've just finished National Volunteer Week, I have been doing some thinking about our many devoted volunteers.

I am so impressed with the dedication of these men and women, who make the effort to assist others. Many of these wonderful people have told me that they get many rewards from their work – feelings of fulfillment, satisfaction at using their skills, and the opportunity to meet others.

I want to thank each of you – volunteers, supporters, and friends – for your commitment and your generosity. Greater Cleveland Volunteers is here because of you.

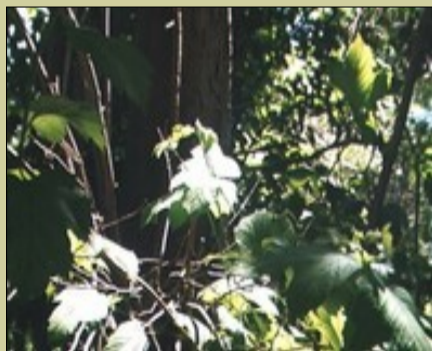

In a few weeks, we will be able to say thank you more officially, at our Volunteer Recognition Events. You should be receiving invitations shortly. A Recognition for our Experience Corps members will be held on Friday, June 18th at Executive Caterers in Mayfield Heights. Our agency-wide Recognition will take place on Tuesday, June 22nd at the Crowne Plaza Hotel in downtown Cleveland. We hope to see you there.

Sincerely,

Joy Banish  
Executive Director
